# Transportation

In Bratislava you can use trolleybuses, buses or trams, don't look for the underground, because there isn't any.

## **Tickets**

- All tickets are limited by time and you can use them for all public transport.
- You can buy them in yellow or red ticket machines and tobacco shops. Big advance of the red ticket machines is, that you can also pay by card and the menu is in different languages.
- Also if you have valid ISIC card, you can buy the reduced tickets.
- There is also a special ticket for 72hr, but you can buy it **ONLY** in red ticket machines (e.g. in the hall of Main Train Station, or at shopping centre MY Tesco on Kamenné námestie).
- You can also download an app IDS BK to your phone, and buy tickets through it

## **Schedule**

Schedule of public transport is here: [imhd.sk](http://imhd.sk). Or you can use Google maps and pick public transportation.
